GUADALUPE RIVER

HOLDOVER TOURNEY

To Benefit the New Braunfels Fly Fishers

Fall is in the air and it is time to start dusting off those nymphing rods and head to the Guadalupe.

This is a catch, photo and release tournament that is more good fun than serious tournament.

All data on species caught, size and location will be submitted to Texas Parks and Wildlife to help track the ability for trout to survive in the Guadalupe River throughout the year.

Great Prizes, lunch and a good time will be provided.

- 8:00am Meet at Action Angler
